

What can a ServiceNow Assure Partner do for you?

A ServiceNow assure partner can assure a seamless implementation with guided, effortless and the best in-class talent. ServiceNow assure partner blends the expertise of ServiceNow Platform with leading practices to help you create exceptional digital experiences - faster and with less risk.

'With a ServiceNow assure partner, all the right pieces coming together in perfect harmony'

People

ServiceNow architects, technical experts, and business process consultants collaborate with your Technical team and CIO to speed time to value and market.

Process

Comprehensive reviews to ensure optimal health of your project.

Seamless Orchestration

Whether it's IT modernization, implementing new productivity tools, or rethinking customer support, successful projects start with the right collaboration.

Practice

Proven methodology tailored to meet your desired outcome.

ServiceNow assure partner will lead the engagement, and the ServiceNow team will provide prescriptive guidance and support at key points throughout the project. The following approach is utilized by the team:

Planning

Optimize product usage and deliver targeted value

Architecture

Align platform, integration, and data architecture for long-term success

Design

Mitigate customizations for better upgradability, maintainability, & scalability

Sprint Scan

Ensure teams are following best practices before moving to production

Engage with us or services account executive to see if our assure program is the right fit for your project

KNOW MORE

About DxSherpa Technologies

DxSherpa Technologies is a high-growth, global IT services company with headquarters in the US and India. As a 100% ServiceNow-exclusive Premier partner, we serve medium to large enterprises across Asia, Europe, and North America. Our expertise spans many industries with special emphasis in Manufacturing, Banking, Insurance, IT, and Healthcare. We have built and developed a dedicated and focused team of 300+ consultants to serve our expanding client base across multiple disciplines on the ServiceNow platform.

We are part of the ACCSCIENT Group of companies. ACCSCIENT is a partnership between FutureTech Holding Company and Alaris Equity Partners. They strive to deliver a multi-faceted portfolio of expertise in Enterprise Platforms, Data Digital Ecosystems, and Talent to enable digital transformation while navigating the need for Global Optimization, Security, and Financial Agility.
